

Backstreet Boys, Bye Bye Love

You should be right here laying next to me
But baby, you chose to love the hard way
You could be right here getting the best of me
But baby, you decided he was your man
And now that you're finding out
He's playing little games, you calling me again
You say you want me around
But I'm not sure now if I wanna be down so
I think I wanna stay single, maybe we're better apart
See I don't want a girl that only wanna come back
'Cause some other man broke her heart
So bye, bye love, bye love
So bye, bye love, bye love, yeah
Crazy how the tables turn
It wasn't long ago that you turned your back
Saying there's no way that we can work
And you were quick to move on to the next day
And now that you're finding out
He's playing little games, you calling me again
You say you want me around
But I'm not sure now if I wanna be down so
I think I wanna stay single, maybe we're better apart
See I don't want a girl that only wanna come back
'Cause some other man broke her heart
So bye, bye love, bye love
So bye, bye love, bye love, yeah

I can't take you back when I know
I'm not the one you really wanted before
Sorry that I let you go
This time I think it's best to do it alone
Cannot let go
Bye, bye, bye, bye love
I think I wanna stay single, maybe we're better apart
See I don't want a girl that only wanna come back
'Cause some other man broke her heart
So bye, bye love, bye love
So bye, bye love, bye love
I think I wanna stay single, maybe we're better apart
See I don't want a girl that only wanna come back
'Cause some other man broke her heart
So bye, bye love, bye love
So bye, bye love, bye love
I'm saying goodbye to you
I'm saying goodbye to you
I'm saying goodbye to you
I'm saying goodbye to you
I'm saying goodbye to you
I'm saying goodbye to you
I'm saying goodbye to you
I'm saying goodbye to you
