

Backstreet Boys, Can't Stop Thinking Of You

You're in my mind all the time
My thoughts are always of you
There are so many things that we promised
each other, that we would do
But since you went away, my heart
Has been in so much pain
It seems that everything we've been through
Has been in vain

CHORUS

And I can't stop thinking about you
And I wouldn't if I could
But I can't keep waking up
With dreams of you
You should have known when you told me
You loved me, that you were deceiving
I have faith that the hurt that I feel deep inside
Will soon be real, babe
But now I'm all alone, and I
Can't stop thinking of you
Hold you in my arms once again
Is all I wanna do

CHORUS
