Don't Wanna Lose You Now

Backstreet Boys

Don't Wanna Lose You Now

Never thought that I'd be left behind

That I was stronger than you, baby

Girl if only I knew what I've done

You know, so why don't you tell me

And I, I would bring down the moon and the sun

To show how much I care

CHORUS

Don't wanna lose you now

Baby, I know we can win this

Don't wanna lose you now

No no, or ever again

I've got this feeling you're not gonna stay

It's burning within me

The fear of losing

Of slipping away

It just keeps getting closer, baby

Whatever reason to leave that I've had

My place was always beside you

And I wish that I didn't need you so bad

Your face just won't go away

CHORUS

I never thought that I would lose my mind

That I could control this

Never thought that I'd be left behind

That I was stronger than you

Don't want to lose to loneliness

Girl I know we can win

Don't want to lose to emptiness, oh no

Never again

CHORUS
