Friends Never Say Goodbye
Backstreet Boys
Friends Never Say Goodbye
And through it all
There'll always be
Tomorrow's episode

Suddenly that isn't true
There's another avenue
Beckoning the great divide
Ask no questions, take no side

Who's to say who's right or wrong
Whose course is braver run
Still we are, have always been
Will ever be as one

What is done has been done for the best
Though the mist in my eyes might suggest
Just a little confusion about what I'd lose
Girl if I started over
I'd know I would choose

The same joy, the same sadness
Each step of the way
That fought me and taught me
That friends never say

Say goodbye
Never say goodbye
Never say goodbye

Say goodbye
Never say goodbye
Never say goodbye

Suddenly that isn't true
There's another avenue
Beckoning the great divide
I would choose

The same joy, the same sadness
Each step of the way
That fought me and taught me
That friends never say

Say goodbye
Never say goodbye
Never say goodbye

Say goodbye
Never say goodbye
Never say goodbye
