If I Ever Fall In Love
the very first time
That i saw your brown eyes
Your lips said hello and i said hi
I knew right then you were the one
But i was caught up
In physical attraction
But to my satisfaction
Baby you were more than just a face

And if i ever (ever fall) in love again (again) I will be sure that the lady is a friend And if i ever (ever fall) in love so true (true) I will be sure that the lady's just like you

Oh, yeah, the very next time she'll be my friend

If i say that i will be your one and only (promise, promise) promise that you'll never leave me lonely I just wanna be the one you need Oh, baby I just wanna be the one who serves you Sometime i feel as if i don't deserve you I cherish every moment that we share

And if i ever (ever fall) in love again (again) I will be sure that the lady is a friend And if i ever (ever fall) in love so true (true) I will be sure that the lady's just like you

(repeat)
Very next time she will be my friend
Someone who i can believe in

(my friend)
I need someone who'll be my friend
(my friend)
To be with me through thick and thin
(my friend)
Please share my love with me my friend
I need someone like you

And if i ever (ever fall) in love again (again) I will be sure that the lady is a friend And if i ever (ever fall) in love so true (true) I will be sure that the lady's just like you
