## Backstreet Boys, Shattered

So empty, can't feel no more, As I'm left with my tears on the floor I wait for my heart to mend, But you keep tearing a hole Inside, I'm so lost, In the middle of my heart It's a battlefield of love, I've been fighting for too long And now I'm shattered, (From the chip in my heart, kept taking it till it broke) Oh how it hurts (But it slipped from your hand, hit the ground and now it's shattered) I'm so shattered (Can't believe it was me, I'm so shattered) So shattered (Can't believe, you and me, ahh) So shattered (Can't believe, you left me, shattered) I'm shattered, cut from with-inside, oh What am I still here for, Could it be that I'm just waiting Hoping you'd rescue me, And put the pieces together again Inside, I'm so lost, In the middle of my heart It's a battlefield of love, I've been fighting for too long And now I'm shattered (From the chip in my heart, kept taking it till it broke) Oh how it hurts (But it slipped from you hand, hit the ground and now it's shattered) I'm so shattered (Can't believe it was me, I'm so shattered) So shattered (Can't believe, you and me, ahh) So shattered (Can't believe, you left me, shattered) I'm shattered, cut from with-inside, oh Tell me what you're really here for, If you never really loved me I gave my all but it still wasn't enough Cause all you had to say was that you ain't Looking for commitment Instead of telling me what I wanted to hear, hey You took my emotions and scattered them on the ground So hard to just pick up, and move on with life, again And now I'm shattered (From the chip in my heart, kept taking it till it broke) Oh how it hurts (But it slipped from your hand, hit the ground and now it's shattered) I'm so shattered (Can't believe it was me, I'm so shattered) So shattered (Can't believe, you and me, ahh) So shattered (Can't believe, you left me, shattered) I'm shattered, cut from with-inside, oh Can't believe, you and me, ahh
