

# Backstreet Boys, Straight Through My Heart

In the heart of the night when it's dark  
In the lights I heard the loudest noise  
A gunshot on the floor, oh, oh  
I looked down and my shirt's turning red, I'm spinning around  
Felt her lips on my neck and her voice  
In my ear like I missed you, want you tonight  
Straight through my heart, a single bullet got me  
I can't stop the bleeding, oh  
Straight through my heart, she aimed and she shot me  
I just can't believe it, oh  
No, I can't resist and I can't be hit  
I just can't escape this love  
Straight through my heart, soldier down  
My heart, soldier down, my heart  
Thought I moved more than on  
Thought I could fool her charm  
I really wanna go but I can't leave her alone, oh, oh  
Hear the sound of a love so loud  
I just can't, I just can't ignore this feeling  
Said she missed me and she wants me, wants me tonight  
Straight through my heart, a single bullet got me  
I can't stop the bleeding, oh  
Straight through my heart, she aimed and she shot me  
I just can't believe it, oh  
No, I can't resist and I can't be hit  
I just can't escape this love  
Straight through my heart, soldier down  
My heart, soldier down, my heart  
In the heart of the night when it's dark  
In the lights I heard the loudest noise  
A gunshot on the floor, oh, oh  
Straight through my heart, a single bullet got me  
I can't stop the bleeding, oh  
Straight through my heart, she aimed and she shot me  
I just can't believe it, oh  
No, I can't resist and I can't be hit  
I just can't escape this love  
Straight through my heart, soldier down  
My heart, soldier down, my heart  
Straight through my heart, soldier down  
My heart, soldier down, my heart, my heart, my heart  
Straight through my heart, soldier down  
My heart, soldier down, my heart
