

Bad Boys Blue, How I Need You

I want you - now and forever
- That's why did you do it!
I miss you - now that you've gone
- I'm not a type of girl to mess around with!
I just called to say: I really love
- You should have thought of that before!
And girl, I do regret
Every single word that I said.
The night is so empty without you
And loneliness falling upon my mind
I'm trying to touch you in my dreams
My heart is crying - baby
Oooh, how I need you
Oooh, how I need you
I'm waiting every nighttime
- My nights have been so lonely since you've been gone
I'll kiss you and hold you tight
- I dream about this feeling every night
What I mean is: girl, I really changed now
- I'd really love to believe you!
I swear to you, I do! Girl, I'll never make you blue
The night is so empty without you
And loneliness falling upon my mind
I'm trying to touch you in my dreams
My heart is crying - baby
Oooh, how I need you
Oooh, how I need you
