

Badfinger, Sympathy

If you ever wanna cry
If you ever wanna feel blue
I'll be here with some sympathy for you

If you're ever feelin' lonely
If you're ever feelin' down
I'll be here, all you gotta do is come around

If you're lookin' for some sympathy
Baby, you just run to me
If you need a little sympathy
Baby, you just run to me

If you need a little time
And there's no one there to help you through
I'll be here with some sympathy for you

If somebody lets you down to the ground
You can count on me
And if you don't know where to go
So alone, you can run to me

[guitar solo (Joe Tansin)]
