

Ballas Hough Band, Devastated

She eats me up alive,
The category five,
She's like a hurricane...
She don't come with no directions,
She keeps me guessing,
And it hurts my brain...
She can do what she wants with me,
I'm a wheeling casualty...

CHORUS:

She got angel eyes,
I can't deny,
Look what God created,
She leaves me devastated,
She loves me blind,
It should be a crime,
She knows how to play it,
She leaves me devastated...
Oh-oh-oh-oh-oh
She leaves me devastated...
Oh-oh-oh-oh-oh
Can't refuse about anything,
She got that something you just dream about...
That girl oughta be my ruin,
What she's doing,
I can't live without...
She can do what she wants with me,
I'm a wheeling casualty...

CHORUS:

She got angel eyes,
I can't deny,
Look what God created,
She leaves me devastated,
She loves me blind,
It should be a crime,
She knows how to play it,
She leaves me devastated...
Oh-oh-oh-oh-oh
She leaves me devastated...
Oh-oh-oh-oh-oh
I don't know why she loves me,
I don't care,
Because we got something going,
Something going on,
Don't try to save me,
Cos I'm too far, too far gone...

CHORUS:

She got angel eyes,
I can't deny,
Look what God created,
She leaves me devastated,
She loves me blind,
It should be a crime,
She knows how to play it,
She leaves me devastated...
Oh-oh-oh-oh-oh
She leaves me devastated...
Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh
She leaves me devastated...
Oh-oh-oh-oh-oh
