Ballas Hough Band, Devastated

She eats me up alive,

The category five,

She's like a hurricane...

She don't come with no directions,

She keeps me guessing,

And it hurts my brain...

She can do what she wants with me,

I'm a wheeling casualty...

CHORUS:

She got angel eyes,

I can't deny,

Look what God created,

She leaves me devastated,

She loves me blind,

It should be a crime,

She knows how to play it,

She leaves me devasted...

Oh-oh-oh-oh

She leaves me devastated...

Oh-oh-oh-oh

Can't refuse about anything,

She got that something you just dream about...

That girl oughta be my ruin,

What she's doing,

I can't live without...

She can do what she wants with me,

I'm a wheeling casualty...

CHORUS:

She got angel eyes,

I can't deny,

Look what God created,

She leaves me devastated,

She loves me blind,

It should be a crime,

She knows how to play it,

She leaves me devasted...

Oh-oh-oh-oh

She leaves me devastated...

Oh-oh-oh-oh

I don't know why she loves me,

I don't care,

Because we got something going,

Something going on,

Don't try to save me,

Cos I'm too far, too far gone...

CHORUS:

She got angel eyes,

I can't deny,

Look what God created,

She leaves me devastated,

She loves me blind,

It should be a crime,

She knows how to play it,

She leaves me devasted...

Oh-oh-oh-oh

She leaves me devastated...

Oh-oh-oh-oh

Oh-oh-oh-oh

She leaves me devastated...

Oh-oh-oh-oh
