Bambi, Shanes Song

Bambi Miscellaneous **Shanes Song** All these feelings Building up in me Driving me insane Making me crazy And never have i Felt so alone Where i don't feel the warmth Inside my home I used to have ur shoulder to lean on But somehow U pulled it away What do i do now Then i came to see What i didn't want to believe That you Were never there for me

I needed u Beside me But u just Denied me Of that feeling Or love I wanted you to Hold me But instead u Just told me U were busy So i had enough And now i'm gettin up my strength Changin my love for u to hate And mending up my heart So i can move on

I'm independent
Don't need you
Cuz i can see through
All ur bullshit
I've had enough of that
And i don't want to
Belong to
Anyone
Especially u
When u dont have the decency to call
Pick me up if i fall
Or even pretend
Like u care
I'm outta here
