

# Bananarama, I Could Be Persuaded

It's getting late  
And it's cold outside  
I wonder should I wait  
Or should I say goodbye

But I ain't too sure  
If I should be staying  
Taxi's waiting  
But here in your arms  
I could be persuaded

But here with you  
Ooh it feels so right  
I just close my eyes  
And lose track of time

But I ain't too sure  
If I should be staying  
Taxi's waiting  
But here in your arms  
I could be persuaded

When we touch  
Doubts fade away  
But I just don't know  
If I should stay

Your taxi's waiting  
I could be persuaded  
Oh

But I ain't too sure  
If I should be staying  
Taxi's waiting  
But here in your arms  
I could be persuaded

I could be persuaded  
Ooh, I could be persuaded  
Your taxi's waiting

Ooh, I could be persuaded
