

Bananarama, Keep Your Hands To Yourself

Ask me no questions
And I'll tell you no lies
I'm not an angel
I'm a devil disguised
You'd better listen
Or you're gonna get hurt
Put your hands in my fire
And you're gonna get burned

I may be hot but I'm not gonna melt
Hey baby keep your hands to yourself
Hey baby keep your hands to yourself

Hear what I'm saying
'Cos you'd better beware
I got you under
And I won't even care

Ask me no questions
And I'll tell you no lies
I'm not an angel
I'm a devil disguised

I may be hot but I'm not gonna melt
Hey baby keep your hands to yourself
Hey baby keep your hands to yourself

Stop !
You'd better listen baby
Stop !
You'd better listen now

Stop !
You'd better listen baby
Stop !
You'd better listen now

Hear what I'm saying
'Cos you'd better beware
I got you under
And I won't even care

Ask me no questions
And I'll tell you no lies
I'm not an angel
I'm a devil disguised

Stop !
You'd better listen baby
Stop !
Keep your hands to yourself
Stop !
You'd better listen now
Stop !
Keep your hands to yourself

I may be hot but I'm not gonna melt
Hey baby keep your hands to yourself
Hey baby keep your hands to yourself
