

Bananarama, Look On The Floor

It's close to midnight
And I'm leavin' now
I'm getting in my car
I'm headin' out

And I can't slow down
Cos I don't know how

You got my number
So we'll be fine
So go and use it
Just don't waste my time

Cos you're on my mind
And you know I'm right

(Bridge)
You take me over
Stay with me and
We'll fade away

(Chorus)
Look on the floor
And all are spinnin' round

Someone told me this
was just a dance
And take a chance
And I'll give you more
Do you really think
We have a chance

Devils in your eyes
And he's lookin' at me
I know what you want
And you know what I need

Come and show me how
How do you get down

(Bridge)

(Chorus)
Repeat Chorus

Chance X 11
Do you really think we have a chance

(Chorus X2)
