

Bananarama, No Feelings

I seen you in the mirror when the story began
I fell in love with you, I love you mortal sin
Your brains are locked away but I love your company
I only ever leave you when you got no money

I got no emotions for anybody else
You better understand I'm in love with myself
Myself
My beautiful self

No feelings
No feelings
No feelings
For anybody else

I don't wanna your body in a runaround suit
You follow me around like a pretty pot of glue
I kick you in the head you got nothing to say
Get out of the way cos' I got to get away
You never realise I take the piss out of you
You come up to see me and I beat you black and blue
Okay
I send you away

No feelings
No feelings
No feelings
For anybody else

I got no feelings
No feelings
No feelings
For anybody else

Ain't no moonlight after midnight
I see stupid people out looking for delight
But I'm so happy I'm feeling so fine
I'm watching all the rubbish, you're wasting my time
I look around your house and there's nothing to steal
I kick you in the brains when you get down to kneel
And pray
You pray to your god
Whoo yes it's that time

No feelings
No feelings
No feelings
For anybody else

I got no feelings
No feelings
No feelings
For anybody else
