

# Bananarama, You Are Not Me

Sleep to dream  
I am free  
Praying for them  
Angels speak  
Can't quite hear  
What they're saying

I'm so high above the clouds  
Looking down on me  
I would give you everything  
If you could only see

(chorus)  
But you are not me  
You dream a different dream  
But you are not me  
It was never meant to be

?

? falling  
Like the sun  
Yesterday  
?

I'm so high above the clouds  
Looking down on me  
I would give you everything  
If I thought that you could see

(chorus x 2)

Im' like a flower, I need to feel the sun  
I need to feel the love that wraps me up and keeps me warm

(verse 1)

(chorus x 2)
