

# BANKS, Goddess

She gave it all, you gave her shit  
She coulda done, just anything  
Or anyone, cause she's a goddess  
You never got this  
You put her down, you liked her hopeless  
To walk around, feeling unnoticed  
You shoulda crowned her, cause she's a goddess  
You never got this

Now you gotta deal with this glitch on your shoulder  
Fucking with a goddess and you get a little colder  
Yea it's colder, colder  
Fucking with a goddess, and you get a little colder

Finally surfaced above doubts  
Feeling above this, she came around  
Cause she's a goddess, finally saw this  
And now you're back, trying to claim her  
Cause she's gone and now without her  
You're all alone, cause she's a goddess  
You shoulda saw this

Now you gotta deal with this glitch on your shoulder  
Fucking with a goddess and you get a little colder  
Yea it's colder, colder  
Fucking with a goddess, and you get a little colder  
/2x

Now you gotta deal with this glitch on your shoulder  
You're fucking with a goddess and you get a little colder  
Yea you're colder, colder  
You're fucking with a goddess, and you get a little colder
