

# Barber Q, Dynamite

I never expect it when it comes  
It drowns your fun, kills your joy  
In one minute your whole world  
Ends and leaves you all alone

It's like my dynamite, dynamite  
It's like my dynamite, dynamite  
It's like my dynamite, dynamite

I'm sure you know this feeling too  
When you're gasping for breath  
And there's nothing you can do...  
And there's nothing you can do

It's like my dynamite, dynamite  
It's like my dynamite, dynamite  
It's like my dynamite, dynamite

Dynamite, dynamite  
Exploding so suddenly  
I'm looking for my exit  
Helplessly, help me!  
Thinking what is wrong with me  
Silently

Dynamite, dynamite  
Exploding so suddenly  
I'm looking for my exit  
Helplessly, help me!  
Thinking what is wrong with me  
Silently

Dynamite, dynamite  
Exploding so suddenly  
I'm looking for my exit  
Helplessly, help me!  
Thinking what is wrong with me  
Silently

Oh

Dynamite, dynamite  
Exploding so suddenly  
I'm looking for my exit  
Helplessly, help me!  
Thinking what is wrong with me  
Silently  
Silently
