## Barbra Streisand, Everybody says dont

Everybody says dont

Everybody says dont

Everybody says dont it isnt right

Dont is isnt nice

Everybody says dont

Everybody says dont

Everybody says dont walk on the grass

Dont disturb the peace

Dont skate on the ice

Well I say do, I say,

Walk on the grass it was meant to feel

I say sail till to the windmill

And if you fail you fail!

Everybody says dont

Everybody says dont

Everybody says dont get out of line

When they say that then lady thats a sign

No times out of ten

Lady you are doing just fine.

Make just a ripple come on be brave

This time a ripple next time a wave

Sometimes you have to start small,

Climbing the tiniest wall

Maybe youre going to fall

But it is better than not starting at all.

Everybody says no stop

Musnt rock the boat musnt touch a thing

Everybody says dont

Everybody says wait

Everybody says cant fight city-hall

Cant upset the court

Cant laugh at the king!

Well I say try,

I say,

Laugh at the king or hell make you cry

Loose your poise

Fall if you have to but lady make a noise...

ΥρςΙ

Everybody says dont

Everybody says cant

Everybody says wait around for miracles

Thats the way the world is made

I insist on miracles if you do them,

Miracles might come true,

Then I sav dont...

Dont be afraid!
