

# Barbra Streisand, Guilty (Duet with Barry Gibb)

Shadows falling, baby  
We stand alone  
Out on the street anybody you meet  
Got a heartache of their own  
(It oughta be illegal)  
Make it a crime to be lonely or sad  
(It oughta be illegal)  
You got a reason for livin'  
You battle on with the love you're livin' on  
You gotta be mine  
We take it away  
It's gotta be night and day  
Just a matter of time  
And we got nothing to be guilty of  
Our love will climb any mountain  
Near or far, we are  
And we never let it end  
We are devotion and we got nothing to be sorry for  
Our love is one in a million  
Eyes can see that we got a highway to the sky  
I don't wanna hear your goodbye, ooh  
Pulse's racing, darling, how grand we are  
Little by little we meet in the middle  
There's danger in the dark  
(It oughta be illegal)  
Make it a crime to be out in the cold  
(It oughta be illegal)  
You got a reason for livin'  
You battle on with the love you're buildin' on  
You gotta be mine  
We take it away  
It's gotta be night and day  
Just a matter of time  
And we got nothing to be guilty of  
Our love will climb any mountain  
Near or far, we are  
And we never let it end  
We are devotion and we got nothing to be sorry for  
Our love is one in a million  
Eyes can see that we got a highway to the sky  
I don't wanna hear your goodbye  
Don't wanna hear your goodbye  
I don't wanna hear your  
And we got nothing, and we got nothing to be guilty of  
Our love will climb any mountain  
Near or far, we are  
And we never let it end  
We are devotion and we got nothing to be sorry for  
Our love is one in a million  
Eyes can see that we got a highway to the sky  
Don't wanna hear your  
And we got nothing to be guilty of  
Our love will climb any mountain  
Near or far, we are  
And we never let it end
