

# Barbra Streisand, Jule Styne

Time after Time

I tell myself that I'm

So lucky to be..Jule Styne

When things seemed so dark

I walked up to Ray Stark

And I said "Please meet a friend of mine

Ray Stark, Barbra Streisand, Barbra Streisand, Ray Stark"

Ms. Streisand sang and I played

He said ,she looks just like my maid

Just you do your job and I'll do mine

Which just goes to show

How much producers know

He said "Bellbath" would be divine

You all know the switch

The maid, she made him rich

For which he hates Jule Styne
