

Barbra Streisand & Michael Buble, IT HAD TO BE

Seems like dreams like I always had
Could be, should be making me glad
Why am I blue?
It's up to you to explain

I'm thinking maybe, baby, I'll go away
Someday, some way, you'll come and say
It's you I need and you'll be pleading in vain

It had to be you, it had to be you
I wondered around, finally found somebody who
Could make me be true
Could make me be blue

And even be glad, just to be sad
Thinking of you
Some others I've seen
Some others I've seen

Might never be mean
Might never be mean
might never be cross
Or try to be boss

but they wouldn't do
but they wouldn't do
For nobody else gave me a thrill
With all your faults

I love you still
It had to be you
marvellous you
It had to be you

I guess so
Ok!

It had to be you
Person call it faith
It had to be you
I just have to wait

I wondered around, finally found somebody who
somebody who
somebody who
For nobody else gave me a thrill

With all your faults
I love you still
It had to be you
Wonderful you

It had to be you
Just me and you
No one but you
It had to be you

It had to be you
It had to be you
