

Barclay James Harvest, The, Giving It Up

Barclay James Harvest, The

XII

Giving It Up

I give up my world

And giving it up, it ain't easy

I give up my life

And giving it up, it ain't easy

I give up everything i have

Even give this heart of mine

I would give up my soul

Giving it all for you

I give up my time

And giving it up, it ain't easy

I've made up my mind

And making it up, it ain't easy

Give up everything i have

Think about this heart of mine?

I would give up my soul

Giving it all for you
