

# Barclay James Harvest, The, I

Barclay James Harvest, The  
Turn The Tide  
Im Like A Train  
Look around  
And cry aloud  
Seems so much is happening  
But i have found  
When you awake  
The sky will shine  
Even on a cloudy day

Want to be  
Where i can see  
Oh so much is happening  
To you and me  
Will it end?  
Will day turn black  
Will we ever see things right  
And how can we make it through the night?

I'm like a train  
That's jumping the track  
Caught up in the slide  
And i'll never come back  
I turn around and look for a way  
Nothing that i can do  
Nothing that i can say

What a life  
I was living before  
Hard to see  
If you can't find a door  
Seen the turning  
Know it's burning me  
To be with you

I'm like a train  
That's jumping the track  
Caught up in the slide  
And i'll never come back  
I turn around and look for a way  
Nothing that i can do  
Nothing that i can say
