And Other Things Too (E's Epistle)

Baby you're so pretty

I love the way you move

I wanna lick your stomach

So soft and smooth

I've missed your little bosoms

I dream of your kisses and other things too

Baby baby baby baby baby I do

Baby you're so sexy

I wanna see you nude

I wanna get real dirty

Set the right mood

I've missed your little bosoms

I dream of your kisses and other things too

Baby baby baby baby baby I do

Yeah
