## Barry Manilow, Somwhere Int He Night

Time...

You found time enough to love And I found love enough to hold you So tonight...

I'll stir the fire you feel inside Until the flames of love enfold you Laying beside you, lost in the feeling So glad you opened my door Come with me..

Somewhere in the night we will know

Everything lovers can know

You're my song..

Music too magic to end

I'll play you over and over again

Loving so warm.. Moving so right...

Closing our eyes and feeling alive We'll just go on burning bright Somewhere in the night

You'll sleep...

When the morning comes

And I'll lie and watch you sleeping

And you'll smile..

When you dream about the night Like it's a secret you've been keeping Laying beside you lost in the feeling So glad you opened my door

You're my song

Music too magic to end

I'll play you over and over again

Loving so warm..

Moving so right... Closing our eyes and feeling alive We'll just go on burning bright Somewhere in the night

We'll just go on burning bright

Somewhere in the night...
