

# Barry White, I?m Gonna Love You Just A Little M

It feels so good  
You lying here next to me  
Oh, what a groove  
You  
have no idea how it feels  
My hands just wont keep still  
I love you,  
baby  
Oh, I love you, I love you, I love you  
I just wanna hold you  
Run  
my fingers through your hair  
Ooh  
Outta sight  
Uh-huh, right there, you  
like it like that  
Closer  
Come here, closer, close  
Oh, baby  
Oh,  
baby
