

Bars And Melody, Ain't Got You

when i thought i wasn't enough
I could always count on your love
never thought of letting you down
oh no no no

only took a look in your eyes
lightening up the sky late at night
never thought of letting you down
oh no no no

with you I got so high
but now that I come back down
you're not here by my side
and now I know

I don't want nothing, nothing
if I ain't got you ain't got you
I don't want nothing, nothing
if I ain't got you ain't got you
if I gotta give all of mine
just to get you back in my life
I don't want nothing, nothing
if I ain't got you ain't got you

if I ain't got you ain't got you
whit you baby o got so high
that nobody could find me
lost inside of your eyes
I want to runaway whit you
baby I got nothing crashed the car and now it's burning
when I am ion the dark, that really left me hurting
demons in the night time
you could touch in the morning
I want to feel control but all I feel is falling
when you go back to your safety place
I was thinking you could bring me
now it's getting louder and I don't think you can hear me

with you I got so high
but now that I come back down
you're not here by my side
and now I know

I don't want nothing, nothing
if I ain't got you ain't got you
I don't want nothing, nothing
if I ain't got you ain't got you
if I gotta give all of mine
just to get you back in my life
I don't want nothing, nothing
if I ain't got you ain't got you
