

# Bars And Melody, Ain't Got You

when i thought i wasn't enough  
I could always count on your love  
never thought of letting you down  
oh no no no

only took a look in your eyes  
lightening up the sky late at night  
never thought of letting you down  
oh no no no

with you I got so high  
but now that I come back down  
you're not here by my side  
and now I know

I don't want nothing, nothing  
if I ain't got you ain't got you  
I don't want nothing, nothing  
if I ain't got you ain't got you  
if I gotta give all of mine  
just to get you back in my life  
I don't want nothing, nothing  
if I ain't got you ain't got you

if I ain't got you ain't got you  
whit you baby o got so high  
that nobody could find me  
lost inside of your eyes  
I want to runaway whit you  
baby I got nothing crashed the car and now it's burning  
when I am ion the dark, that really left me hurting  
demons in the night time  
you could touch in the morning  
I want to feel control but all I feel is falling  
when you go back to your safety place  
I was thinking you could bring me  
now it's getting louder and I don't think you can hear me

with you I got so high  
but now that I come back down  
you're not here by my side  
and now I know

I don't want nothing, nothing  
if I ain't got you ain't got you  
I don't want nothing, nothing  
if I ain't got you ain't got you  
if I gotta give all of mine  
just to get you back in my life  
I don't want nothing, nothing  
if I ain't got you ain't got you
