

# Bartek Deryło, Love Me Anyway

even if you see my scars  
even if I break your heart  
if we're a million miles apart  
do you think you'd walk away?

if I get lost in all the noise  
even if I lost my voice  
flirt with the other boys  
what would you say?

could you  
could you  
could you love me anyway ?

i sit for better or for worse  
or am I just your good time girl  
can you still hold me when it hurts  
or would you walk away  
even if I scandalize you  
cut you down and criticize you  
tell a million lies about you  
what would you say

could you  
love me anyway  
could you  
pick up the pieces of me  
could you  
still love me
