

Basia Hetmańska, Słoń

don't guess
don't ask
don't care
about what other people say to me
damn right
solo suits me perfectly
so get out
and let just be over here

and miss you
and it's fine
and then I think about baby
don't try get it high
I'm not this type of girl
speaking much about it now
there's no need to panic
I tell me that I'm ironic

i am cool girl
i am, i am
i am cool girl
