It's hard for me to stop my heart love never knows when the time is right I don't want to hurt anybody but can't help loving you I never felt like this before I know this is passion worth waiting for let love take take its course that's the only thing for us to do We got time, oh baby, there's no rush gonna be a better day for us hang on and I will wait for you our love will always stay as good as new Time and tide nothing and no one can stop us now for better for worse this time I'm sure it's gonna last How can I stop my heart? Love never knows when the time is right don't want to hurt anybody don't want to make them cry don't want to make them cry We've got time, oh baby there's no rush gonna be a better day for us hang on and I will wait for you Our love will always stay as good as... new It's a matter of time only a matter of... Time and tide nothing and no one can stop us now for better for worse this time I'm sure it's gonna last gonna last forever We got time, oh baby there's no rush gonna be a better day for us hang on and I will wait for you
