

# Basshunter, Camilla 2

I gave you a part of me  
When live was free  
The love was inside of us  
But I let it be  
Now I see what a fool I've been  
And I feel what it means  
To send you away like that  
And never hold you again  
You're in my eyes  
In my head  
In my soul I feel you there  
Oh Camilla  
Light this world again  
Wo-oh  
All my nights  
Everyday  
I've been calling out your name  
Oh Camilla  
Life got right again  
Life got right again  
I gave you a part of me  
When live was free  
The love was inside of us  
But I let it be  
Now I see what a fool I've been  
And I feel what it means  
To send you away like that  
And never hold you again  
You're in my eyes  
In my head  
In my soul I feel you there  
Oh Camilla  
Light this world again  
Wo-oh  
All my nights  
Everyday  
I've been calling out your name  
Oh Camilla  
Life got right again  
Life got right again
