## Bat For Lashes, A Forest

(Come) closer and see See into the trees Follow the girl While you can (Come) closer and see See into the dark Just follow your eyes Just follow your eyes I hear her voice Calling my name The sound is deep In the dark I hear her voice (And) start to run Into the trees Into the trees Suddenly I stop But i know it's too late I'm lost in a forest All alone The girl was never there It's always the same I am running towards nothing Again and again and again and again and again... And again. Hey! Hey! Hey! Hey!...
