

# Bat For Lashes, I Do

Tomorrow you will ask me If I do  
And sorrow will drop away  
Like ... form a flower in blue  
Yes, I do!  
You see, I do

Tomorrow you will take me  
Feel bride  
Another gray sky will blow away  
We forever feel ...  
When you see I do

When you see I do

You'll see, I do!
