

Bat For Lashes, In God's House

In God's house I do wait
For my love
And a wedding day
Dewy eyes, lashes long
For my love
But I'm feeling something's wrong

What's the sigh of sea?
My baby you're dying on the beach
What's the sigh of sea?
Fire, fire

Through this veil
They can't see
The fog of death
Unveiled me
Where's my boy?
Why would he lie?
And leave me here
In this church to cry

What's the sigh of sea?
My baby you're dying on the beach
What's the sigh of sea?
Fire, fire
Fire, fire
