

# Bat For Lashes, Joe's Dream

There's a tears in my lover eyes  
His out on my window  
It's a gloomy night  
Set ... in light  
It remember his name

This is hand gently to my face  
To the promise of wedding lace  
And I feel his dark embrace  
As my baby, he cries

I'm fallin' in love  
To say goodbye  
I'm fallin' like star from above  
say goodbye  
And finally found my pat of gold  
say goodbye

...  
But what doesn't mean  
The bad things that I've seen?

...
