His out on my window
It's a gloomy night
Set ... in light
It remember his name

To the promise of wedding lace
And I feel his dark embrace
As my baby, he cries

I'm fallin' in love
To say goodbye
I'm fallin' like star from above
say goodbye
And finally found my pat of gold
say goodbye

...
But what doesn't mean
The bad things that I've seen?
