

Bat For Lashes, Sad Eyes

I don't like the things you don't say
Leaving it for such a long long time
Why do you show me those sad sad eyes
Each time you decide to pass on by

And when you smile those sad eyes
Look sadder and sadder still

Autumns hue in those sad eyes
Makes me love and love them more
I'll have a bath, i'll make the dinner and then I'll go away for a long long time
But still you haven't passed my door

And when you smile those sad eyes
Look sadder and sadder still

I can tell that you're lonely
But it seems now
There's nothing you want me to do
So I won't try to take the sadness from those eyes that I love
Leave it open for someone else to

And when you smile those sad eyes
Look sadder and sadder still

Trying to hold it together
Keep my love as light as a feather
Sad eyes baby it's been such a long time
Keep my heart breaking in the dark
Come and spend the night

Trying to hold it together
Keep my love as light as a feather
Sad eyes baby it's been such a long time
Keep my heart breaking in the dark
Come and spend the night
