

# Bat For Lashes, Siren Song

Are you my family  
Can I stay with you a while  
Can i stop off in your bed tonight  
I could make you smile  
In the morning Ill make you breakfast  
In the evening Ill warm the bed  
And Ill always be happy to kiss you  
Promise Ill never get sad  
Till the siren come calling, calling  
It's driving me evil, evil  
I was a heart breaker, I loved you  
The same way I do  
But I've got so much wickedness and sin  
My name is pearl  
And Ill love you the best way I know how  
My blonde curls slice through your heart  
And the siren come calling  
In the night, till the light  
Help you dress yourself up fancy  
Bathe you when you get sore  
I'll be good, I think I could  
Be all you would want and more and more  
Be proud when you dazzle the wondrous  
Glitter your eyes for the town  
Tell every last boy that you're my man  
Try not to let you down  
Till the siren come calling, calling  
It's driving me evil, evil  
I was a heart breaker, I loved you  
The same way I do  
I've got so much wickedness and sin  
My name is pearl  
And Ill love you the best way I know how  
My blonde curls slice through your heart  
And the stars are exploding in the night  
It won't be long until you'll be mine  
No it won't be long until you leave  
It won't be long until ??  
It won't be long to ??  
Cause Im evil, 'cause I'm evil
