

Bauhaus, Bauhaus

My heart is a black stone
a streaking mirror of unseen creatures
He had a milkness from the universe
18 thousand feet a black stone heart
my heart is a black stone
a moon glab night
come with this darkness
I come with this darkness
and go away white
go away white
silver wind and carcass, carcass and blue
velocity endless ohhhhhhhh
silver wind and carcass, carcass and blue
invisible toooooooo
ohoh ohohohoh ohoh ohohohohohohoh hey
silver wind and carcass, carcass and blue
velocity endless ohhhhhhhh
silver wind and carcass, carcass and blue
invisible toooooooo
when my black is back and sea out of sight
i go there with my darkness
and go away white
and my black is back
and my sea out of sight
i go there with my darkness
and go away white
go away white
go away white
go away white
