

Be Free, Highway star

Stay n highway, thinkin bout beauty girl with long, long legs
Seating on my heavy case- thats the picture of my life
Waiting on the middle road, dissapear and come again
Every where Im loking at, where you are my beauty cat?
Get out fast and take my case, going straight and thinkinbout
Everlasting youare one, I believe in full of love
I want you sing my favorite song about the glory of your face
Hear me now my sweet surprise, snuggle me to one is breast
REF:

Highway star be mine and I wanna stay with you tonight
Highway star be mine, stay with me tonight, stay with me tonight
I want you sing my favorite song about the glory of your face
Hear me now my sweet surprise, snuggle me to one is breast
You are always on my mind, all the ay and all the time
I wanna know your really name, Im funny on my knees today
Be my favorite, say I can, be my angel flying high
See the glory of your face, one and more and more than life

REF:
Highway star be mine and I wanna stay with you tonight
Highway star be mine, stay with me tonight, stay with me tonight
