

# Beady Belle, Closer

Closer

Come a little closer

Lend an ear to my secretive, whispering, quiet word

Closer

Still a little closer

What i tell you must in no case go unheard

Delicate, delicate

Clandestine, devoted, forbidden sense

Intimate, intimate

Mysterious, mutual confidence

Closer

Just a little closer

Don&#039;t worry, there&#039;s no danger, no offence

Closer

Still a little closer

And you&#039;ll see my message is simply self-evidence
