## Beady Belle, In A Good Way

How am I supposed to say to you That I'm gonna leave tonight? How am I supposed to explain to you That I never loved you right?

I will be gone forever All our connections I sever

Oh, can I possibly hurt you in a good way? Oh, can I possibly hurt you in a good way?

How can I explain the truth to you and expect you to believe?
How can I refuse and look down on you?
How am I supposed to leave?

I will be gone forever All our connections I sever

Oh, can I possibly hurt you in a good way? Oh, can I possibly hurt you in a good way?
