

Beady Belle, Lose And Win

Don't squeeze the fruit
Don't seize the flower
Don't spoil the seeds
Don't hide your needs

But spread your wings
And drink the spring
Go sing your pain
Go share your gain

So eat the fruit
Admire the flower
Then plant the seeds
Fulfil your needs

Oh, I'm on and off
Oh, I'm out and in
Oh, I laugh and caught
Oh, I lose and win
