Bears, The, Nobody's Fool

Bears, The Rise And Shine Nobody's Fool Money to burn, i'm on fire Danger danger, i'm hot-wired

I'm in the business of pleasure A big demand for leisure I'll have my drink at the pool I'm nobody's fool

Roll me over, roll me the rojo Life is tough, or so i'm told

I'm in the business of pleasure A big demand for leisure

I'll have my drink at the pool I'm nobody's fool

Nobody's fool, i'm on fire Nobody's fool, i'm hot-wired
