

# Beat Happening, Youth

when I was young  
I thought I was old  
I sailed across the sea  
to tokyo  
I thought there must be more to this world  
than we're being told  
when you're young  
you can afford to be bold

when I was young  
I sought  
to win a young girl's heart  
I chased that girl around a cherry tree  
all I ended up winning  
was a couple of skinned knees
