

Beatles, Last Christmas

Wait

Oh yes, merry Christmas little girl

Hey!

Last year, you left me, little girl...

Last Christmas

I gave you my heart

But the very next day you gave it away

This year

To save me from tears

I'll give it to someone special

Once bitten and twice as shy

I keep my distance

But you still catch my eye

Tell me baby

Do you recognize me?

Well

It's been a year

It doesn't surprise me

Last christmas,

I wrapped it up and sent it

With a note saying "I love you"

I meant it

Now I know what a fool I've been

But if you kissed me now

I know you'd fool me again

Last Christmas

I gave you my heart (oh yeah)

But the very next day you gave it away (gave it away)

This year

To save me from tears

I'll give it to someone special

A crowded room

Friends with tired eyes

I'm hiding from you

And your soul of ice

My god I thought you were

Someone to rely on Me?

I guess I was a shoulder to cry on

A face on a lover with a fire in his heart

A man under cover but you tore me apart

Ooh, Now I've found a real love

You'll never fool me again

Last Christmas (twice as shy)

I gave you my heart

But the very next day you gave it away (you still catch my eye)

This year

To save me from tears (do you recognize me?)

I'll give it to someone special (no, it doesn't surprise me)

Last Christmas (I wrapped it up and sent it)

I gave you my heart

But the very next day you gave it away (saying "I love you"; I meant it)

This year (what a fool I've been)

To save me from tears

I'll give it to someone special (I know you'll fool me again)

Last Christmas

I gave you my heart (oh yeah)

But the very next day you gave it away (gave it away)

This year

To save me from tears (from tears)

I'll give it to someone special (special)

Last Christmas (oh yeah)

I gave you my heart

But the very next day you gave it away (gave it away)

This year

To save me from tears (from tears)
I'll give it to someone special (special)
