Beatles, Rock And Roll Music

(Berry)

Just let me hear some of that rock and roll music Any old way you choose it It's got a back beat, you can't lose it Any old time you use it It's gotta be rock and roll music If you wanna dance with me If you wanna dance with me

I've got no kick against modern jazz Unless they try to play it too darn fast And lose the beauty of the melody Until they sound just like a symphony

That's why I go for that that rock and roll music Any old way you choose it It's got a back beat, you can't lose it Any old time you use it It's gotta be rock and roll music If you wanna dance with me If you wanna dance with me

I took my loved one over across the tracks So she can hear my man awail a sax I must admit they have a rocking band Man, they were blowing like a hurricane

That's why I go for that that rock and roll music Any old way you choose it It's got a back beat, you can't lose it Any old time you use it It's gotta be rock and roll music If you wanna dance with me If you wanna dance with me

Way down South they had a jubilee
The jokey folks they had a jamboree
They're drinking home brew from a water cup
The folks dancing there are all shook up

And started playing that that rock and roll music Any old time you use it It's got a back beat, you can't lose it Any old time you use it It's gotta be rock and roll music If you wanna dance with me If you wanna dance with me

Don't care to hear them play a tango And In The Mood they take a mambo It's way to early for a congo So keep a rocking that piano

That's why I go for that that rock and roll music Any old time you use it It's got a back beat, you can't lose it Any old time you use it Gotta be rock and roll music If you wanna dance with me If you wanna dance with me
